NextEra Energy Partners, LP announces date for release of first-quarter 2016 financial results

04/14/2016

JUNO BEACH, Fla., April 14, 2016 /PRNewswire/ -- NextEra Energy Partners, LP (NYSE: NEP) today announced that it plans to report first-quarter 2016 financial results before the opening of the New York Stock Exchange on Thursday, April 28, 2016, in a news release to be posted on its website at www.NextEraEnergyPartners.com/Earnings. An advisory news release will be issued over PR Newswire the morning of April 28, with a link to the financial results news release on NextEra Energy Partners' website. As previously announced, NextEra Energy Partners will make available its financial results only on its website.

Jim Robo, chairman and chief executive officer of NextEra Energy Partners, John Ketchum, chief financial officer of NextEra Energy Partners, and other members of the senior management team will discuss the first-quarter 2016 financial results during an investor presentation to be webcast live, beginning at 9 a.m. ET on April 28. Results for NextEra Energy, Inc. (NYSE: NEE) also will be discussed during the same investor presentation.

The listen-only webcast will be available on NextEra Energy Partners' website by accessing the following link: www.NextEraEnergyPartners.com/Earnings. The financial results news release and the slides accompanying the presentation may be downloaded at www.NextEraEnergyPartners.com/Earnings, beginning at 7:30 a.m. ET on the day of the webcast. A replay will be available by accessing the same link as listed above. A hard copy of the partnership's complete 2015 full-year audited financial statements is available upon request, free of charge, by contacting Investor Relations.

NextEra Energy Partners, LP

NextEra Energy Partners, LP (NYSE: NEP) is a growth-oriented limited partnership formed by NextEra Energy, Inc. (NYSE: NEE) to acquire, manage and own contracted clean energy projects with stable, long-term cash flows. Headquartered in Juno Beach, Fla., NextEra Energy Partners owns interests in wind and solar projects in North America, as well as natural gas infrastructure assets in Texas. The renewable energy projects are fully contracted, use industry-leading technology and are located in regions that are favorable for generating energy from the wind and sun. The seven natural gas pipelines in the portfolio are all strategically

sourced shale gas to Mexico. For more information about NextEra Energy Partners, please visit:
