## Statement by NextEra Energy, Inc. President and CEO and NextEra Energy Partners, LP CEO John Ketchum on Biden administration steps to ease solar tariffs

06/06/2022

JUNO BEACH, Fla., June 6, 2022 /PRNewswire/ -- NextEra Energy, Inc. (NYSE: NEE) President and CEO and NextEra Energy Partners (NYSE: NEP) CEO John Ketchum issued the following statement regarding today's announcement on solar tariffs.

"The Biden administration's announcement of a two-year pause on new solar tariffs is an important step to help the solar industry recover from the uncertainty of the last three months. I want to thank the administration for recognizing the challenges that trade uncertainty presents to our industry and the country and for taking this important action. NextEra Energy has and will continue to use our industry leadership to support more U.S. solar manufacturing. We look forward to working with the administration on this effort and putting hard working Americans back to work in the solar industry."

### **NextEra Energy, Inc.**

NextEra Energy, Inc. (NYSE: NEE) is a leading clean energy company headquartered in Juno Beach, Florida. NextEra Energy owns Florida Power & Light Company, which is the largest vertically integrated rate-regulated electric utility in the United States as measured by retail electricity produced and sold, and serves more than 5.7 million customer accounts, supporting more than 11 million residents across Florida with clean, reliable and affordable electricity. NextEra Energy also owns a competitive clean energy business, NextEra Energy Resources, LLC, which, together with its affiliated entities, is the world's largest generator of renewable energy from the wind and sun and a world leader in battery storage. Through its subsidiaries, NextEra Energy generates clean, emissions-free electricity from seven commercial nuclear power units in Florida, New Hampshire and Wisconsin. NextEra Energy has been recognized often by third parties for its efforts in sustainability, corporate responsibility, ethics and compliance, and diversity. NextEra Energy is ranked No. 1 in the electric and gas utilities industry on Fortune's 2022 list of "World's Most Admired Companies," recognized on Fortune's 2021 list of companies that "Change the World" and received the S&P Global Platts 2020 Energy Transition Award for leadership in environmental, social and governance.
