The Committee is delegated all authority of the Board as may be required or advisable to fulfill the purposes of the Committee. While the Committee members have the duties and responsibilities set forth in this Charter, nothing contained in this Charter is intended to create, or should be construed as creating, any responsibility or liability of the Committee members, except to the extent otherwise provided under applicable federal or state law.

The Committee has the authority to engage consultants, attorneys, independent accountants and other service providers (together, "Consultants," and each a "Consultant") to assist in the evaluation of conflicts matters that are within the purview of the Committee. The Committee shall have sole authority to retain and terminate any such Consultants, including sole authority to approve the Consultant's fees and other retention terms. The Committee may form, and delegate some or all of its authority to, subcommittees when it deems appropriate.

Without limiting the generality of the Committee's purposes, the Committee shall have the following responsibilities:
